NEW TITLE

FROM WILLIAM STOUT PUBLISHERS

RM Schindler *The Gingold Commissions*

This reprint is an exhibition catalogue, which presents a collection of furniture designed by RM Schindler for Basia Gingold. Between 1940 and 1950 she commissioned furniture for her residence as well as for her offices. In addition to photographs of the furniture, the catalog includes drawings for the interior of her residence and elevations and floor plans of two office designs. Essays by Thomas Hines, Gerard O'Brien, Michael Boyd and Mark Lee, further explore the material, celebrate Basia Gingold, and share an enthusiasm for Schindler's unique brand of architecture.
